Treasurer's Report

Detailed Report Attached

Surrenders

We had 261 animals surrendered in the last quarter.

Adoptions

We had 113 animals adopted.

Events

Future Events

Habitattitude

We are actively planning 8 Habitattitude Exotic Pet Surrender Events for 2021 with 2 in Kaukauna and one each in Milwaukee, Madison, Stevens Point, Eau Claire, La Crosse and Superior. Dates will be based on availability but we plan on one a month from March to October.

Fish and Plant Fair

The Fox Valley Fish Fair and Fox Valley Plant Fair are gaining in popularity.

Achy Breaky Bugs

To raise money for Valentine's Day, we have decided to sell digital valentines and name a bug after the person of the buyer's choice and feed it to an animal on valentine's day. The cost is \$5 and the money will go to the care of the shelter pets.

Social Media

Facebook – 2479 Likes

Twitter – 32 Followers
Instagram – 141 Followers
TikTok – 68 Followers

Old Business

We have raised around \$1700 on Facebook but have not been paid out. No word from them on when it will be disbursed.

New Business

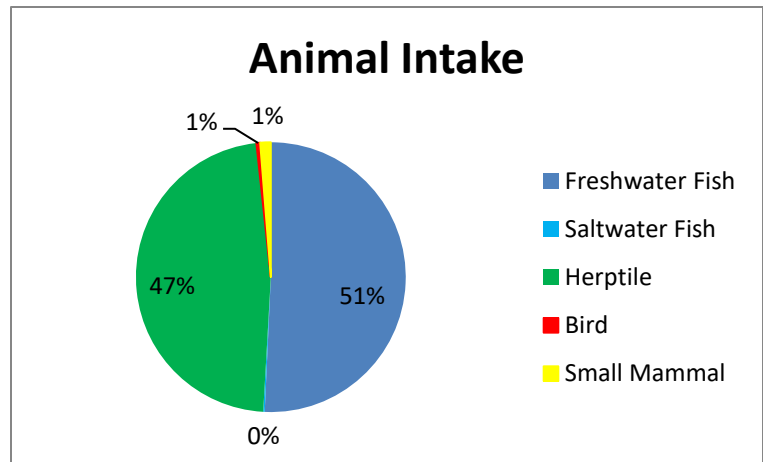

Rescue Partners

There are “rescues” popping up around the state and John feels that we need to vet any rescue before we agree to partner with them in our surrender network and events. He wrote up a policy and application which is attached. To sum up, we should only transfer animals to 501(c)(3) rescues that place animals into homes. We can still work with other organizations, but we should not place animals with them unless they adopt or foster through us.

Year End Statistics

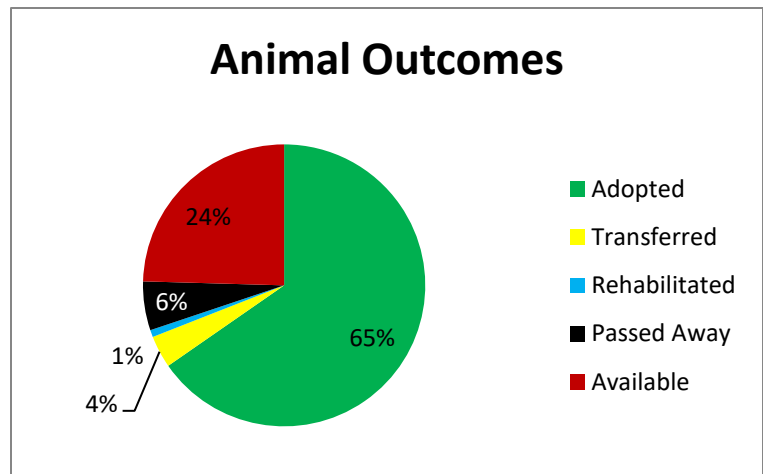

Animal Intake

Last year we took in 1108 animals. This includes: 562 Freshwater Fish, 2 Saltwater Fish, 523 Herptiles (including arthropods and terrestrial gastropods), 5 Birds and 14 Small Mammals.

Animal Outcomes

Last year we adopted out 724 animals, transferred 41 animals to different adoptions facilities, transferred 9 animals to wildlife rehabilitators, 62 animals passed away or were euthanized by the DNR, and 272 animals were still available for adoption.

Finances

Last year we had an income of \$12,657.54 and expenses of \$10,754.65. The majority of our income was from adoptions and the majority of

our expenses were from animal care. Detailed summary attached.
