

JRAAR Foster Care Agreement

This agreement made by and between J&R Aquatic Animal Rescue (JRAAR) and _____ (hereinafter called "Caregiver").

JRAAR is the Owner of the animal described below:

Animal Name: _____

Species: _____

JRAAR is temporarily unable to care for this animal; and JRAAR desires the Caregiver to hold said animal for JRAAR in JRAAR 's absence until they can reclaim the animal. JRAAR recognizes that the Caregiver cannot hold said animal for JRAAR for an indefinite period of time. In consideration of the premises and the covenants herein contained, it is agreed between the Caregiver and JRAAR as follows:

1. Due to the unknown duration of care, and the need of the Caregiver to know when the foster arrangement will be concluded, JRAAR agrees that the Caregiver will not be responsible for keeping the animal any longer than twelve (12) months from the date of this Agreement; further if JRAAR does not accept return of the animal within said twelve (12) month period or if JRAAR states in writing to the Caregiver that he no longer desires return of said animal, then JRAAR relinquishes any claim, right, title, or interest in said animal; and the said animal becomes the property of the Caregiver and the Caregiver may exercise complete discretion as to what to do with the animal.
2. JRAAR may extend the twelve (12) month period stated above if JRAAR gives written notice to the Caregiver at least thirty (30) days before the end of said twelve (12) month period that he wants to extend for up to an additional (12) months the duration of his foster care agreement. If JRAAR does so, then this Agreement will continue for the additional time which JRAAR requests in writing up to but no longer than an additional twelve (12) months.
3. Caregiver agrees to provide adequate food, water, shelter, and humane treatment for said animal at all times. In addition, Caregiver agrees to adhere to all state and local animal laws. Foster Caregiver agrees to follow all oral and/or written additional instructions from the JRAAR.
4. JRAAR will provide the Caregiver with food and supplies to sustain the animal while it is in the Caregiver's care. The caregiver may also provide receipts to JRAAR and seek reimbursement for supplies.
5. If said animal dies or becomes accidentally injured, ill, or lost, JRAAR does not hold the caregiver responsible and releases the Caregiver from any claim arising from said injury. In addition, if said animal bites or injures any human or other animal, JRAAR will hold harmless and indemnify, and protect the Caregiver, from any claim or suit filed by anyone as a result of such an incident.

JRAAR Foster Care Agreement

6. The Caregiver reserves the right to seek veterinary care without approval by JRAAR. The pet JRAAR acknowledges that should medical care and attention for the animal be warranted, the JRAAR authorizes up to \$150 to be provided to cover the cost for care. In addition, the Caregiver reserves the right to euthanize the animal should a veterinarian deem the animal's health to be so impaired that to sustain the animal would be inhumane.
7. JRAAR will collect any adoption fees to help cover the cost of the care of the animal.
8. This Agreement is the entire agreement of the parties, and there are no oral promises or representations made in addition to this contract and it may only be changed in a writing signed by both the Caregiver and JRAAR.
